Dallas Horseshoe Hosts Virtual Quarterly Project Community Update Public Meeting on Wednesday, Aug. 20, 6-7 p.m.

DALLAS – The next Quarterly Project Community Update public meeting for the Dallas Horseshoe Project will be on Wednesday, Aug. 20 from 6 to 7 p.m. This quarter, the Dallas Horseshoe Project Team will host a virtual meeting, allowing those with travel or time constraints a chance to participate in the meeting from their home, office or an alternate location of their choosing, using a computer or smartphone (please note, there will be an automatic prompt to download a free app through ClickWebinar to use on a mobile device). The virtual meeting will include a presentation and a Q&A session through an online-moderated chat forum.

The purpose of the quarterly meetings is to inform the public about the major roadway construction project dedicated to “Fixin’ the Mix” in downtown Dallas along interstates 30 and 35E including information on major upcoming lane closures and ways to stay connected with the project.

To join the virtual meeting, please click on the link below. Participants will be asked to provide their name and email address to receive a follow-up survey.

About the Dallas Horseshoe Project

The Dallas Horseshoe Project is a \$798 million design-build roadway construction project by the Texas Department of Transportation (TxDOT) to improve traffic flow through the heart of downtown Dallas. Aptly dubbed the "Horseshoe Project" due to its U shape, the project is dedicated to "Fixin' the Mix". Construction improvements include the expansion, repaving and addition of several new bridges and roadways along interstates 30 and 35E; and the construction of a new signature bridge, the Margaret McDermott Bridge, over I-30.

The project started in April 2013 and is scheduled to be complete as early as 2017. Once completed, drivers should experience improved safety, increased capacity and improved mobility through the downtown Dallas Mixmaster and the central business district.
