

Pegasus Link Constructors

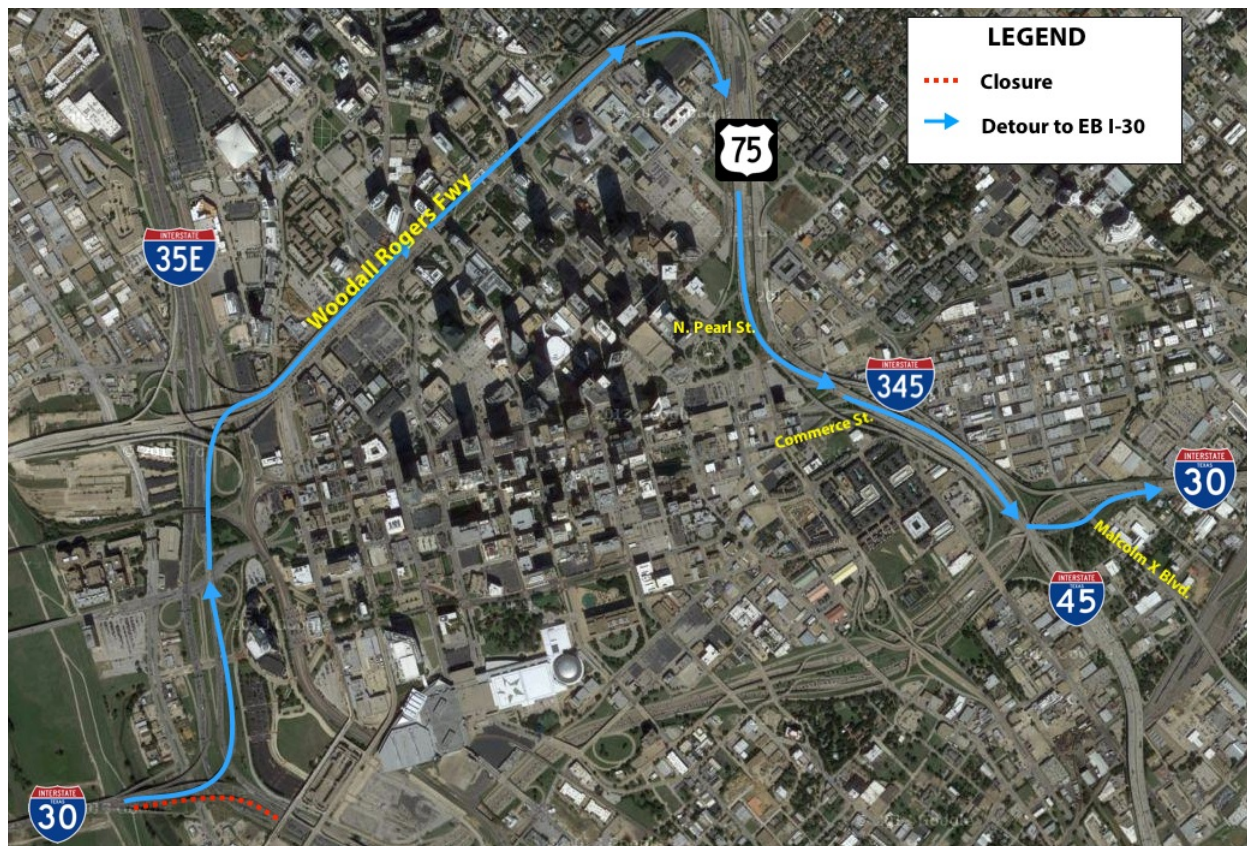

**FOR IMMEDIATE RELEASE**

Nov. 12, 2014

## **TRAFFIC ALERT: All Lanes of Eastbound I-30 at Riverfront Boulevard closed Saturday, Nov. 15**

**DALLAS** – As part of the construction for the Dallas Horseshoe Project, all lanes of the eastbound Interstate 30 at Riverfront Boulevard will be closed Saturday, Nov. 15 from 8 p.m. to 6 a.m. Due to weather, this closure may be extended to Sunday, Nov. 16 or Monday, Nov. 17 night. An extension will only occur if temperatures are too low on Saturday night.

**Suggested Alternate Route:** To access eastbound I-30, go north onto Interstate 35E, merging onto Woodall Rogers Freeway through the tunnel, then merge onto Interstate 345 going south to the eastbound I-30 exit.

The public can stay updated on these closures and the Dallas Horseshoe Project through:

- **Phone Hotline:** 214-Fix-MixD (349-6493)
- **Storefront:** 160 Continental Ave. Dallas, Texas, near the corner of Riverfront Boulevard and Continental Avenue (Monday-Friday from 8 a.m. to 5 p.m.)

For more information please contact Katrina Keyes, Public Relations/Media Director for the Dallas Horseshoe Project.

###

### **About the Dallas Horseshoe Project**

The Dallas Horseshoe Project is a \$798 million design-build roadway construction project by the Texas Department of Transportation (TxDOT) to improve traffic flow through the heart of downtown Dallas. Aptly dubbed the “Horseshoe project” due to its U shape, the project is dedicated to “Fixin’ the Mix”. Construction improvements include the expansion, repaving and addition of several new bridges and roadways along interstates 30 and 35E; and the construction of a new signature bridge, the Margaret McDermott Bridge, over I-30.

The project started in April 2013 and is scheduled to be complete as early as 2017. Once completed, drivers should experience improved safety, increased capacity and improved mobility through the downtown Dallas Mixmaster and the central business district.
