## FOR IMMEDIATE RELEASE

Wednesday, Dec. 16, 2015

### TRAFFIC ALERT:

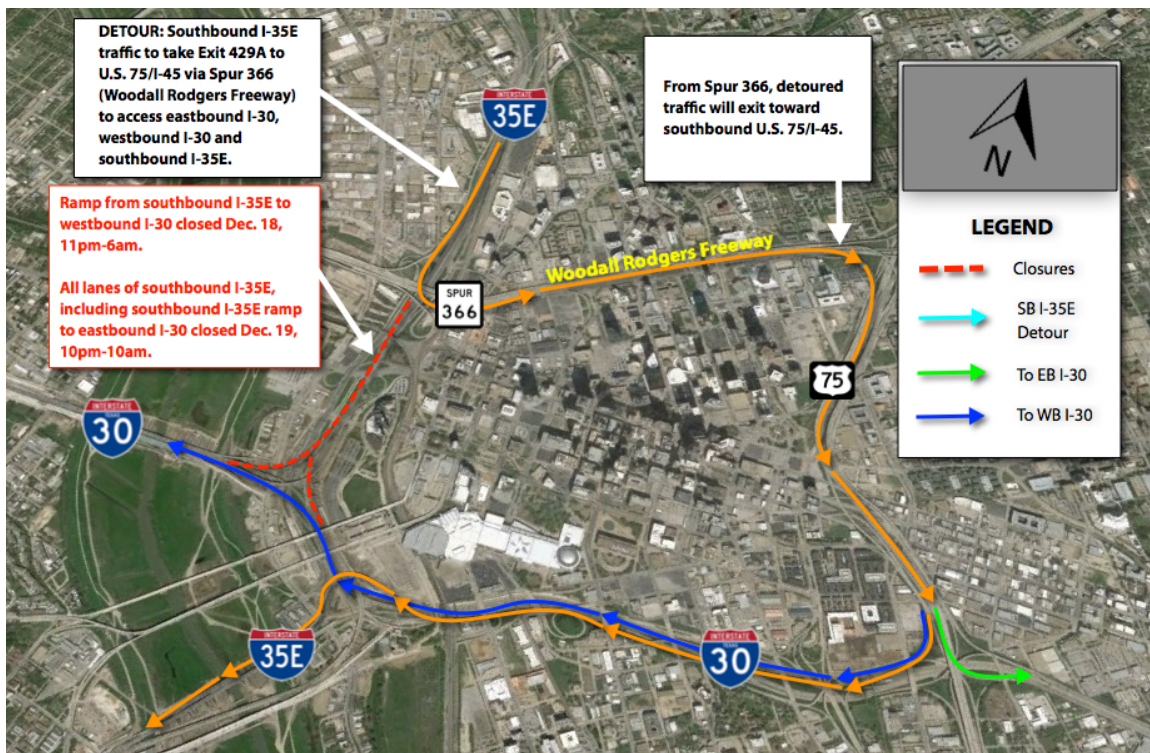

#### Full Nightly Closure of Southbound I-35E in the Downtown Dallas Mixmaster Dec. 19

**DALLAS** – As part of the construction for the Dallas Horseshoe Project, there will be closures along southbound I-35E this weekend, including a full closure of southbound I-35E, due to beam settings.

On Friday, Dec. 18 from 11 p.m. to 6 a.m. Saturday, Dec. 19, the southbound I-35E ramp to westbound I-30 will be closed. This will include two right lanes along southbound I-35E from Reunion Boulevard to Houston Street.

On Saturday, Dec. 19 from 10 p.m. to 10 a.m. Sunday, Dec. 20, all lanes of southbound I-35E at I-30, including the ramp from southbound I-35E to eastbound I-30, will be closed.

**Suggested Alternate Routes:** To access southbound I-35E, eastbound I-30 and westbound I-30, all traffic must take the southbound I-35E exit 429A toward State Highway Spur 366 (Woodall Rodgers Freeway). Traveling Woodall Rodgers Freeway through the tunnel, traffic will then merge onto Interstate 45 going south toward I-30. View the map below for more details.

The public can stay updated on these closures and the Dallas Horseshoe Project through:

###

### **About the Dallas Horseshoe Project**

The Dallas Horseshoe Project is a \$798 million design-build roadway construction project by the Texas Department of Transportation (TxDOT) to improve traffic flow through the heart of downtown Dallas. Aptly dubbed the “Horseshoe project” due to its U shape, the project is dedicated to “Fixin’ the Mix”. Construction improvements include the expansion, repaving and addition of several new bridges and roadways along interstates 30 and 35E; and the construction of a new signature bridge, the Margaret McDermott Bridge, over I-30.

The project started in April 2013 and is scheduled to be complete as early as 2017. Once completed, drivers should experience improved safety, increased capacity and improved mobility through the downtown Dallas Mixmaster and the central business district.
